Case No. 3:21-cv-03496-AMO

**INTUITIVE'S OBJECTIONS TO  
PLAINTIFF SIS's TRIAL EXHIBITS**

Date: November 25, 2024

Time: 11:00 a.m.

Courtroom: 10

The Honorable Araceli Martínez-Olguín

1 Pursuant to the Court's Schedule and Pretrial Order of June 11, 2024, Dkt. 235,  
2 Defendant Intuitive Surgical, Inc. ("Defendant" or "Intuitive") hereby submits Intuitive's  
3 Objections to Plaintiff SIS's Trial Exhibits. Intuitive serves its objections subject to the  
4 following reservations:

5 Defendant reserves the right to modify, supplement, amend, or withdraw its objections to  
6 any of the exhibits listed on Plaintiff's exhibit list to the extent any objections were inadvertently  
7 omitted, included, or otherwise made (or not made) in error. Defendant reserves the right to  
8 raise any objection, including objections not listed herein, to any exhibit offered by Plaintiff at  
9 trial in light of the context or purpose for which the exhibit is being offered, including if the  
10 exhibit constitutes unduly cumulative evidence or causes undue delay. Defendant likewise  
11 reserves the right to raise additional objections to exhibits Plaintiff's experts may rely upon,  
12 should Plaintiff seek to publish those exhibits to the jury or admit those exhibits into evidence.

13 Defendant objects to the admission of any exhibit listed here for which Plaintiff fails to  
14 establish authenticity, lay a proper foundation, or otherwise fails to establish a necessary  
15 predicate for admission. By listing or omitting evidentiary objections herein, Defendant does not  
16 concede the relevance, foundation, authenticity, or admissibility of such evidence.

17 Defendant's identification of evidentiary objections here does not limit, in any way, the  
18 scope of any of Defendant's *in limine* motions seeking the exclusion of evidence listed on  
19 Plaintiff's exhibit list, including as to exhibits for which no objection is raised here.

20 Defendant reserves the right to raise additional objections to Plaintiff's exhibits based on  
21 (i) court rulings before or during trial, including rulings on *in limine* motions; (ii) events  
22 occurring at trial, including the cumulative presentation of redundant evidence or other forms of  
23 unnecessary delay; or (iii) Plaintiff's identification of additional exhibits that present further  
24 grounds for objecting to those listed here.

25 Defendant reserves the right to and does object to any exhibits on Plaintiff's exhibit list  
26 that Plaintiff does not make available to Defendant despite Defendant's requests for such. This  
27 reservation includes TX348, TX889, and TX891.

The numbers listed in Defendant's objections refer to the corresponding Federal Rule of Evidence; "802" encompasses all forms of hearsay objections including but not limited to hearsay within hearsay; "602" includes but is not limited to objections for lack of foundation.
